bind off in ribbing Maintain the rib pattern as you bind off (knit the knit stitches; purl the purl stitches) (UK: cast off in ribbing)
cast on Form a foundation row by making specified number of loops on the knitting needle.
decrease Reduce the number of stitches in a row (i.e., knit 2 together; purl 2 together).
increase Add to the number of stitches in a row (i.e., knit in front and back of stitch).
knitwise Insert the needle into the stitch as if you were going to knit it.
make one Insert tip of LH needle from front to back under the strand between the last stitch worked and the next stitch on the needle. Knit into the back loop to increase one stitch.
make one purl stitch With the needle tip, lift the strand between the last stitch worked and the next stitch on left-hand needle and purl it. One purl stitch has been added.
no stitch On some charts, "no stitch" is indicated with shaded spaces where stitches have been decreased or not yet made. In such cases, work the stitches of the chart, skipping over the "no stitch" spaces.
